*"Thank you for a great week at DX Nationals. This was many of our dancer's first experience at a Nationals and they really enjoyed their time, the master classes and they raved about the DX staff. The energy you all exuded was contagious. We really enjoyed the Final Showdown and watching the top 3 perform again. We felt this was something important for audiences to see, as we often miss routines. It also makes the kids feel special to re-perform their routines. We also enjoyed the Gala Awards. Not knowing what to expect, we had a lovely time and were able to take some pictures with our staff and dancers. We look forward to continuing to support and attend DX competitions in the future!"*
